Update on our community project at Vandenberg Air Force Base

THE CALIFORNIA SPACE CENTER

Atascadero City Hall and Council Chambers

6907 El Camino Real
Atascadero, CA 93422

Friday, February 27, 2009
8:30 a.m. – Coffee/Networking
9:00 a.m. to 11:00 a.m.

Please join us for an update about a multi-purpose, multi-year community project to be located on 71 acres outside the front gate of Vandenberg Air Force Base on Highway 1. The Center will create more than 1,500 jobs and attract up to 500,000 visitors each year.

The proposed project includes a launch viewing site, visitors center, education complex, conference center, IMAX-like theatre and a mission support facility. It is planned that the community will benefit from the facilities and attractions at this site. The project will highlight the past, present, and future of the base, including its residents and activities.
