

EVC Endowment

Help secure our economic vitality

Working Today...

We work with local business and government to help start and grow businesses within San Luis Obispo County by providing critical resources and strategic planning for the region to foster job creation for a balanced and sustainable economy.

...For a Prosperous Tomorrow

Our communities and businesses will benefit from our endowment fund, which distributes its earnings to help our local economy. Endowments are timeless and are managed to have lasting benefits. So an investment today will ensure a prosperous economic future for all of us tomorrow.

This endowment helps further the EVC mission to stimulate the economic vitality of San Luis Obispo County, generate jobs, increase investment in the community and promote the start-up and growth of business that are critical to our communities.
