

Upcoming Events August 30, 2013

Solarize San Luis Obispo County

You can go solar. We can help.

Solarize San Luis Obispo County will be available to homeowners for three months, beginning August 1, 2013 through November 1, 2013. During this time, homeowners can switch to solar at a fixed, group-purchasing price from either of the two installers.

As part of the program, EVC and CEC will host free educational workshops to inform homeowners about solar technologies, energy efficiency, solar financing options and the Solarize program. "A vital component of Solarize is education," noted Jefferson Litten of the CEC, "Many homeowners are not aware that they can start saving right away by switching to solar. By educating the community about the benefits of solar, the entire industry benefits and we help homeowners save money."

Anyone interested in learning about solar is encouraged to attend one of these upcoming workshops:

Arroyo Grande	San Luis Obispo	Paso Robles
<p>Thursday, September 5 6:00 - 7:30 PM</p> <p>Portuguese Hall 707 Husana Road Arroyo Grande, CA 93420</p>	<p>Monday, September 9 6:00 - 7:30 PM</p> <p>SLO Elks Lodge #322 222 Elks Lane San Luis Obispo, CA 93401</p>	<p>Tuesday, September 10 6:00 - 7:30 PM</p> <p>Paso Robles Inn, Matador Room 1103 Spring Street Paso Robles, CA 93446</p>

Solarize SLO County participants will also help support the EVC and the CEC and their missions in the community. Included in the purchase price of each system will be a fee to help both organizations continue to bring beneficial programs to the Central Coast and be self-sustaining.

Energy Awareness Month

Learn how to Save money at Work and at Home!

Since 1991, across the United States, October has been established as a month for events which educate and encourage energy efficiency and renewable energy projects.

San Luis Obispo County's own "Energy Awareness Month" activities are brought to you by a group of local agencies and organizations who have come together to help the community learn about energy and the benefits of energy conservation.

The Energy Event is an annual community event organized and hosted by the San Luis Obispo Regional Energy Alliance. This year's event will showcase student energy projects, hands-on activities, interactive exhibitor booths, and family-friendly entertainment.
