REMARK DRIVES BUSINESS TO EVC CLIENT

For those of you who don't yet know about Wine Wipes, they remove red wine stains and residue from your teeth and mouth to keep you smiling pretty, not purple when drinking red wine. In 2008, with start up funds from EVC, I was able to turn my homemade Wine Wipes recipe into a formula created in an FDA, EPA licensed facility and begin introducing them to wholesalers and consumers across the country from San Luis Obispo.

Announcement Board

Quarterly Economic Beacon Report

WHY THE ECONOMY IS BETTER (AND WORSE) THAN YOU THINK

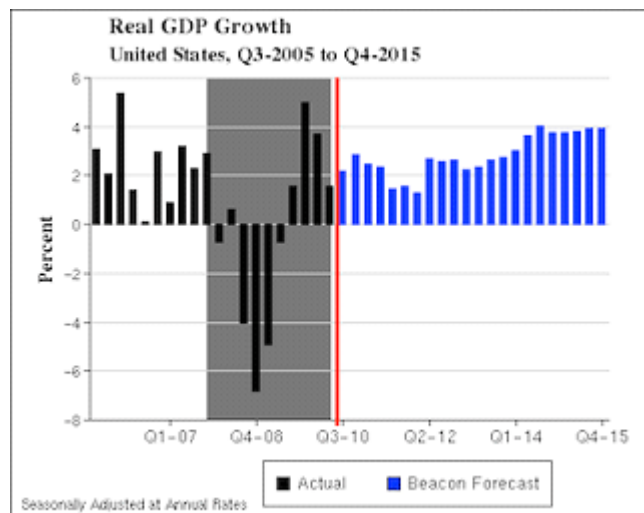

Beacon Economics has been publicly forecasting a slow recovery for more than a year, and still expects below average growth rates over the next twenty-four months as the Federal Reserve and Congress begin to unwind historically low interest rates and a massive budget deficit.

BEACON ECONOMICS

This past summer, when the slowing pace of GDP growth sent shock waves through the equity markets, fears of a dreaded 'double dip' back into recession began to emerge once again in the popular media.

COMMUNITY AIR SERVICE MARKETING GROUP EFFORTS

By Phil D'Acri, SLO County Regional Airport
September 9, 2010

Our volunteer community marketing group has now created an d funded nine marketing promotions (in past approximately 24 months), with a 10th in the works to promote SkyWest's Fare reductions announced earlier this summer. In addition to earlier print and web based venues, other campaigns have incorporated static displays at the Mid State Fair, on RTA buses, and at the airport terminal building.

THE EVC'S ECONOMIC STRATEGY PROJECT

By: Dana Lilley
September 2010

The San Luis Obispo County Economic

Vitality Corporation (EVC) is leading an effort to prepare a county-wide economic strategy. Key strategies will be crafted to guide and influence how businesses can grow and flourish in the county. The first major step was completed with release of a comprehensive industry cluster analysis by the firm Collaborative Economics. This analysis identified key "clusters of opportunity" consisting of related types of businesses (clusters) which are relatively concentrated and growing in San Luis Obispo County.

PRESS RELEASE

EVC HELPS PAVE WAY FOR NEW BUSINESSES

September 29, 2010

The Economic Vitality Corporation of San Luis Obispo County announces that it recently helped several entrepreneurs start and expand new businesses. "We are honored to serve the communities by helping entrepreneurs launch businesses when the county needs new jobs most," said Michael Manchak, the EVC's president and CEO.

FIRST SOLAR TOPAZ PROJECT MOVES FORWARD

September 17, 2010

First Solar hosted a group of some two dozen elected officials and other community stakeholders interested in the company's proposed Topaz Solar Farm at the project site on the Carrisa Plains on Friday, Sept. 17. The meeting featured presentations by the project's biological advisors LynneDee Althouse and Dan Meade of Paso Robles, explaining the research and design modifications that have improved the Topaz project plan.

SMALL BUSINESS BILL SIGNING

By Wayne Schell
September 27, 2010

President Obama signed the Small Business Jobs Act, a bill that will give our nation's small businesses support and incentives to help them grow and hire. The bill includes a series of small business proposals that the President put forth earlier this year, and small businesses will start benefiting from the bill on day one.

CAPPS INTRODUCES LEGISLATION TO HELP GREEN BUSINESSES ON THE CENTRAL & SOUTH COAST EXPAND

AND CREATE JOBS

September 28, 2010

Rep. Lois Capps (D-Calif) announced the introduction of legislation that will help clean energy companies access the capital that they need to grow and hire. Together with Rep. Doris Matsui (D-Calif.) and 15 other original cosponsors, Rep. Capps introduced the Small

Business Clean Energy Financing Act (H.R. 6212), which would direct the Small Business Administration (SBA) to create a clean energy loan program within its 7(a) loan program to give the agency more flexibility to use existing funding to award loans to clean energy companies.
